To G. Lattermann

First of all, thank you for the great congress!

I am very impressed by the wonderful programme of your conference ... I think, in this field this will be one of the best conferences ever.

I'm writing to thank you for the exceptional Plastics Heritage Congress Lisbon and for inviting my collaborative presentation and poster. The conference, events and discussions were excellent and inspiring! You're also an excellent speaker and moderator.

This was a really nice event in Lisbon. Deep congratulations!

It was a pleasure to meet you at the Congress. I am quite interested in especially plastics design history... I would be glad, if we could maintain our contact.

... I spoke to ..., she also came back from the Lisbon conference with many interesting insights. I have the definite impression, historical research into design and hipoms have a lot to share.

It was nice attending the Lisbon conference and to meet you and all other plastic history researchers.

I enjoyed very much to meet you last week at Plastics Heritage Congress in Lisbon. The Congress was really very interesting indeed.

Kudos to the entire team that contributed to the realisation and success of this congress. You have provided a great effort,

For the publication I want to publish in e-plastory.

Congratulations on organising a very stimulating and successful conference

Thanks once again for a well organised conference, I enjoyed it. You and your team have done a great job. I have met old and new friends which is an important part of attending a conference.

Thank you very much for the outstanding Congress and the perfect organisation

Thank you for a lovely conference. Interesting talks and delightful excursions. And of course, in Lisbon – which was wonderful. Thanks also to your dedicated and most pleasant team.
